

Scholarship Appointments

Instructions:

The Scholarship Application must be filled out completely. Upon submission include a **minimum of two Letters of Reference, 2016 Income Tax Return and a completed 2017 APFY registration form.**

Purpose:

To determine, in a fair manner, which applicants will receive a full scholarship to the 2017 summer camp. Scoring will be used to determine eligible applicants and award the scholarships. Scoring ties will be determined on a case-by-case basis by using additional information obtained from the application and reference letters.

Scoring:

The scoring will be separated into three categories: Income, Home life, and References (The latter of which to help encourage youth to ask for help and to open communications between adults and youth). The maximum number of points available is 46. A tie must have the exact score and will be re-scored before a final decision is made.
